The 100 Club of Wilson County is a chartered 501c(3) non-profit organization committed to standing behind the men and women who stand behind the badge.

It is the tradition of the 100 Club to not ask anything of our members beyond the payment of annual dues. The yearly investment sustains the daily operations of the 100 Club and provides financial assistance to the families of public safety officers who lose their lives or are injured in the line of duty.

If you are a civic-minded individual and wish to support the 100 Club mission, there is a place for you among this group of extraordinary people. We simply want to help those who are always there to protect us. Membership is open to everyone. The fulfillment you receive from aiding families in need is a treasure that money cannot buy.

Greater love hath no man than this, that a man lay down his life for his friends.

John 15:13

...to help provide for the dependents of Police Officers, Firefighters, and EMT's who lose their lives or are gravely injured in the line of duty...

When tragedy strikes, the effects are swift and devastating. The 100 Club of Wilson County recognizes the need to respond immediately with support and understanding. Whatever the

need, the 100 Club is there to ease the pain of the family of a law enforcement officer, firefighter, or EMT who is injured or killed in the line of duty.

Members realize that money can never make up for the loss of or disability of a loved one; however it can be helpful in covering immediate expenses. The funds to assist are raised solely through membership dues from those supporting our mission.

Patterned strictly after the 100 Clubs of Nashville, Houston, and Chicago, the Wilson County Club is composed of businessmen and women whose sole interest is to provide benefits when needed.

To the Members of the
100 Club of Wilson County:

Thank you for your membership in the 100 Club. The events in Wilson County in July of 2003 when we lost two of our own in an accident on I-40 East reminded us of those who serve and risk their lives daily to protect us. We hope we never have to use these funds, but know if a need were to arise, we are prepared to provide financial assistance to these families. It is our promise that neither the club nor any of its members will seek or receive publicity or recognition for our efforts. Thank you for your membership support.

Bob DiSalvo, 100 Club President, 2010

“The 100 Club was wonderful in my time of need on July 9, 2003. I am proud to help support this great program knowing that if another family ever needs support and help, this wonderful mission is available for both strength and support.”

Rhonda Musice-Mecher
Widow of John Musice

“Our emergency services workers face many new danger’s in today’s society. A very thoughtful group of citizens formed the 100 Club and have already assisted families who lost loved ones while serving our communities. I proudly support them in their efforts.”

Billy Weeks
